SUMMARY

Computer Engineering undergraduate with practical experience in web development and software engineering, supported by hands-on academic projects and real-world development exposure. Strong interest in robotics, emerging technologies and building practical solutions to real-world problems through creativity, teamwork and continuous learning.

PROFESSIONAL EXPERIENCE

Part-Time software Engineer at Flexaro **2025 - Present**

- Contribute to the development and maintenance of web applications.
- Apply front-end development, debugging and problem-solving skills to real-world projects.
- Collaborate on developing functional and user-friendly web solutions.

Assistant A/L Physics Tutor **2023 - 2024**

- Assisted students in understanding physics concepts and solving academic problems.
- Supported learning through clear explanations and problem-solving guidance.

PROJECTS

A Multi-Modal Trading Decision Support System for Risk-Aware Market Analysis | Ongoing

- Developing a platform that combines technical indicators and AI-based analysis to support informed trading decisions.

AI powered public sentiment simulation platform

- Exploting AI-Driven sentiment analysis and simulated public responses to understand opinions on different topics

Nom Nom Zen – 2D Platform Game | C++

- Developed a 2D platform game using C++ and object-oriented programming concepts.

Hospital Management System | React, MySQL, Node.js

- Developed a web-based system for managing hospital information and administrative processes.

Robotic Arm | Esp32,

- Contributing to the design and development of a robotic arm using computer engineering and system integration concepts.

EDUCATION

B.Sc. (Hons.) in Engineering – Computer Engineering **2024 - Present**
University of Sri Jayewardenepura | Current GPA: 3.345

Diploma in Business Management **2025 - Present**
IMBS Green Campus | Current GPA: 3.7

G.C.E. Advanced Level - Physical science stream
Taxila Central College | Z-score: 1.86

LEADERSHIP & VOLUNTEERING

Project Head – Nenasara Sisila CSR Project

- Led project planning, team coordination and overall execution.

Assistant Secretary - IET on Campus USJ , Executive Board 26/27

- Support administrative coordination, communication and student - focused technical activities.

Faculty Ambassador – IEEE Student Branch

- Promoted IEEE activities and supported student engagement.

Logistics Standing Committee Member – IEEE Computer Society Chapter

- Assisted with event logistics and operational coordination.

Finance Committee Member – Root of Change, Nexus Club:

- Supported budgeting and financial management activities.

Programming Committee Member – Career Gateway 1.0

- Helped plan and coordinate the event program built connections with companies.

Finance Committee Member – Artemia 1.0 by IEEE Women in Engineering

- Assisted with budgeting, expense tracking and financial coordination.

Delegates Handling Committee Member – Algo Ace

- Assist with delegate coordination, participant support and event-day operations.

26/27 Official Flair Dancing Crew Member

- Engage in flair dancing to refresh m mind and maintain a healthy balance between academics and workload.
